Offg. Secretary to the Government of

H. H. the Maharaja of Mysore,

Gen. & Rev. Deptt. Bangalore.

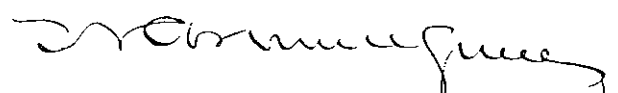

Sir,

I have the honor to report that in accordance with para 265 A, Mysore Treasury Manual, excess water charges and meter hire is payable by the occupants of Government quarters free of rent. Meters are provided in the quarters occupied by the Matron, Nurses & menial staff. The Medical Officer reports that the nursing staff is deserving of exemption from payment of these charges for reasons similar to those that led Government to exempt them from payment on account of electric lighting, in their Orders Nos. 9222-5 Med. 120-07-9 dated 13-3-08 and 8508-11 Med. 9-13-4 dated 14-3-1914, and that the menial staff is too poor to be burdened with such charges.

2. I quite agree with the Medical Officer and request that the Matron and the members of nursing and menial staff may be exempted from paying charges on account of meter hire and excess water, which may be borne by the Medical Department like Municipal taxes on the buildings occupied by them. I have the honor to be
